Huh? Oh! Of course! Water! Right over there!

TOAD: Have a seat right here...
LUIGI: Thank you, Toad...

PEACH: I’d also give you the loaf of bread, but it’s stale.
LUIGI: That’s alright. Thank you.

Eeeckk, it tastes sweet!

PEACH: You're probably dehydrated.
TOAD: I mentioned that earlier...

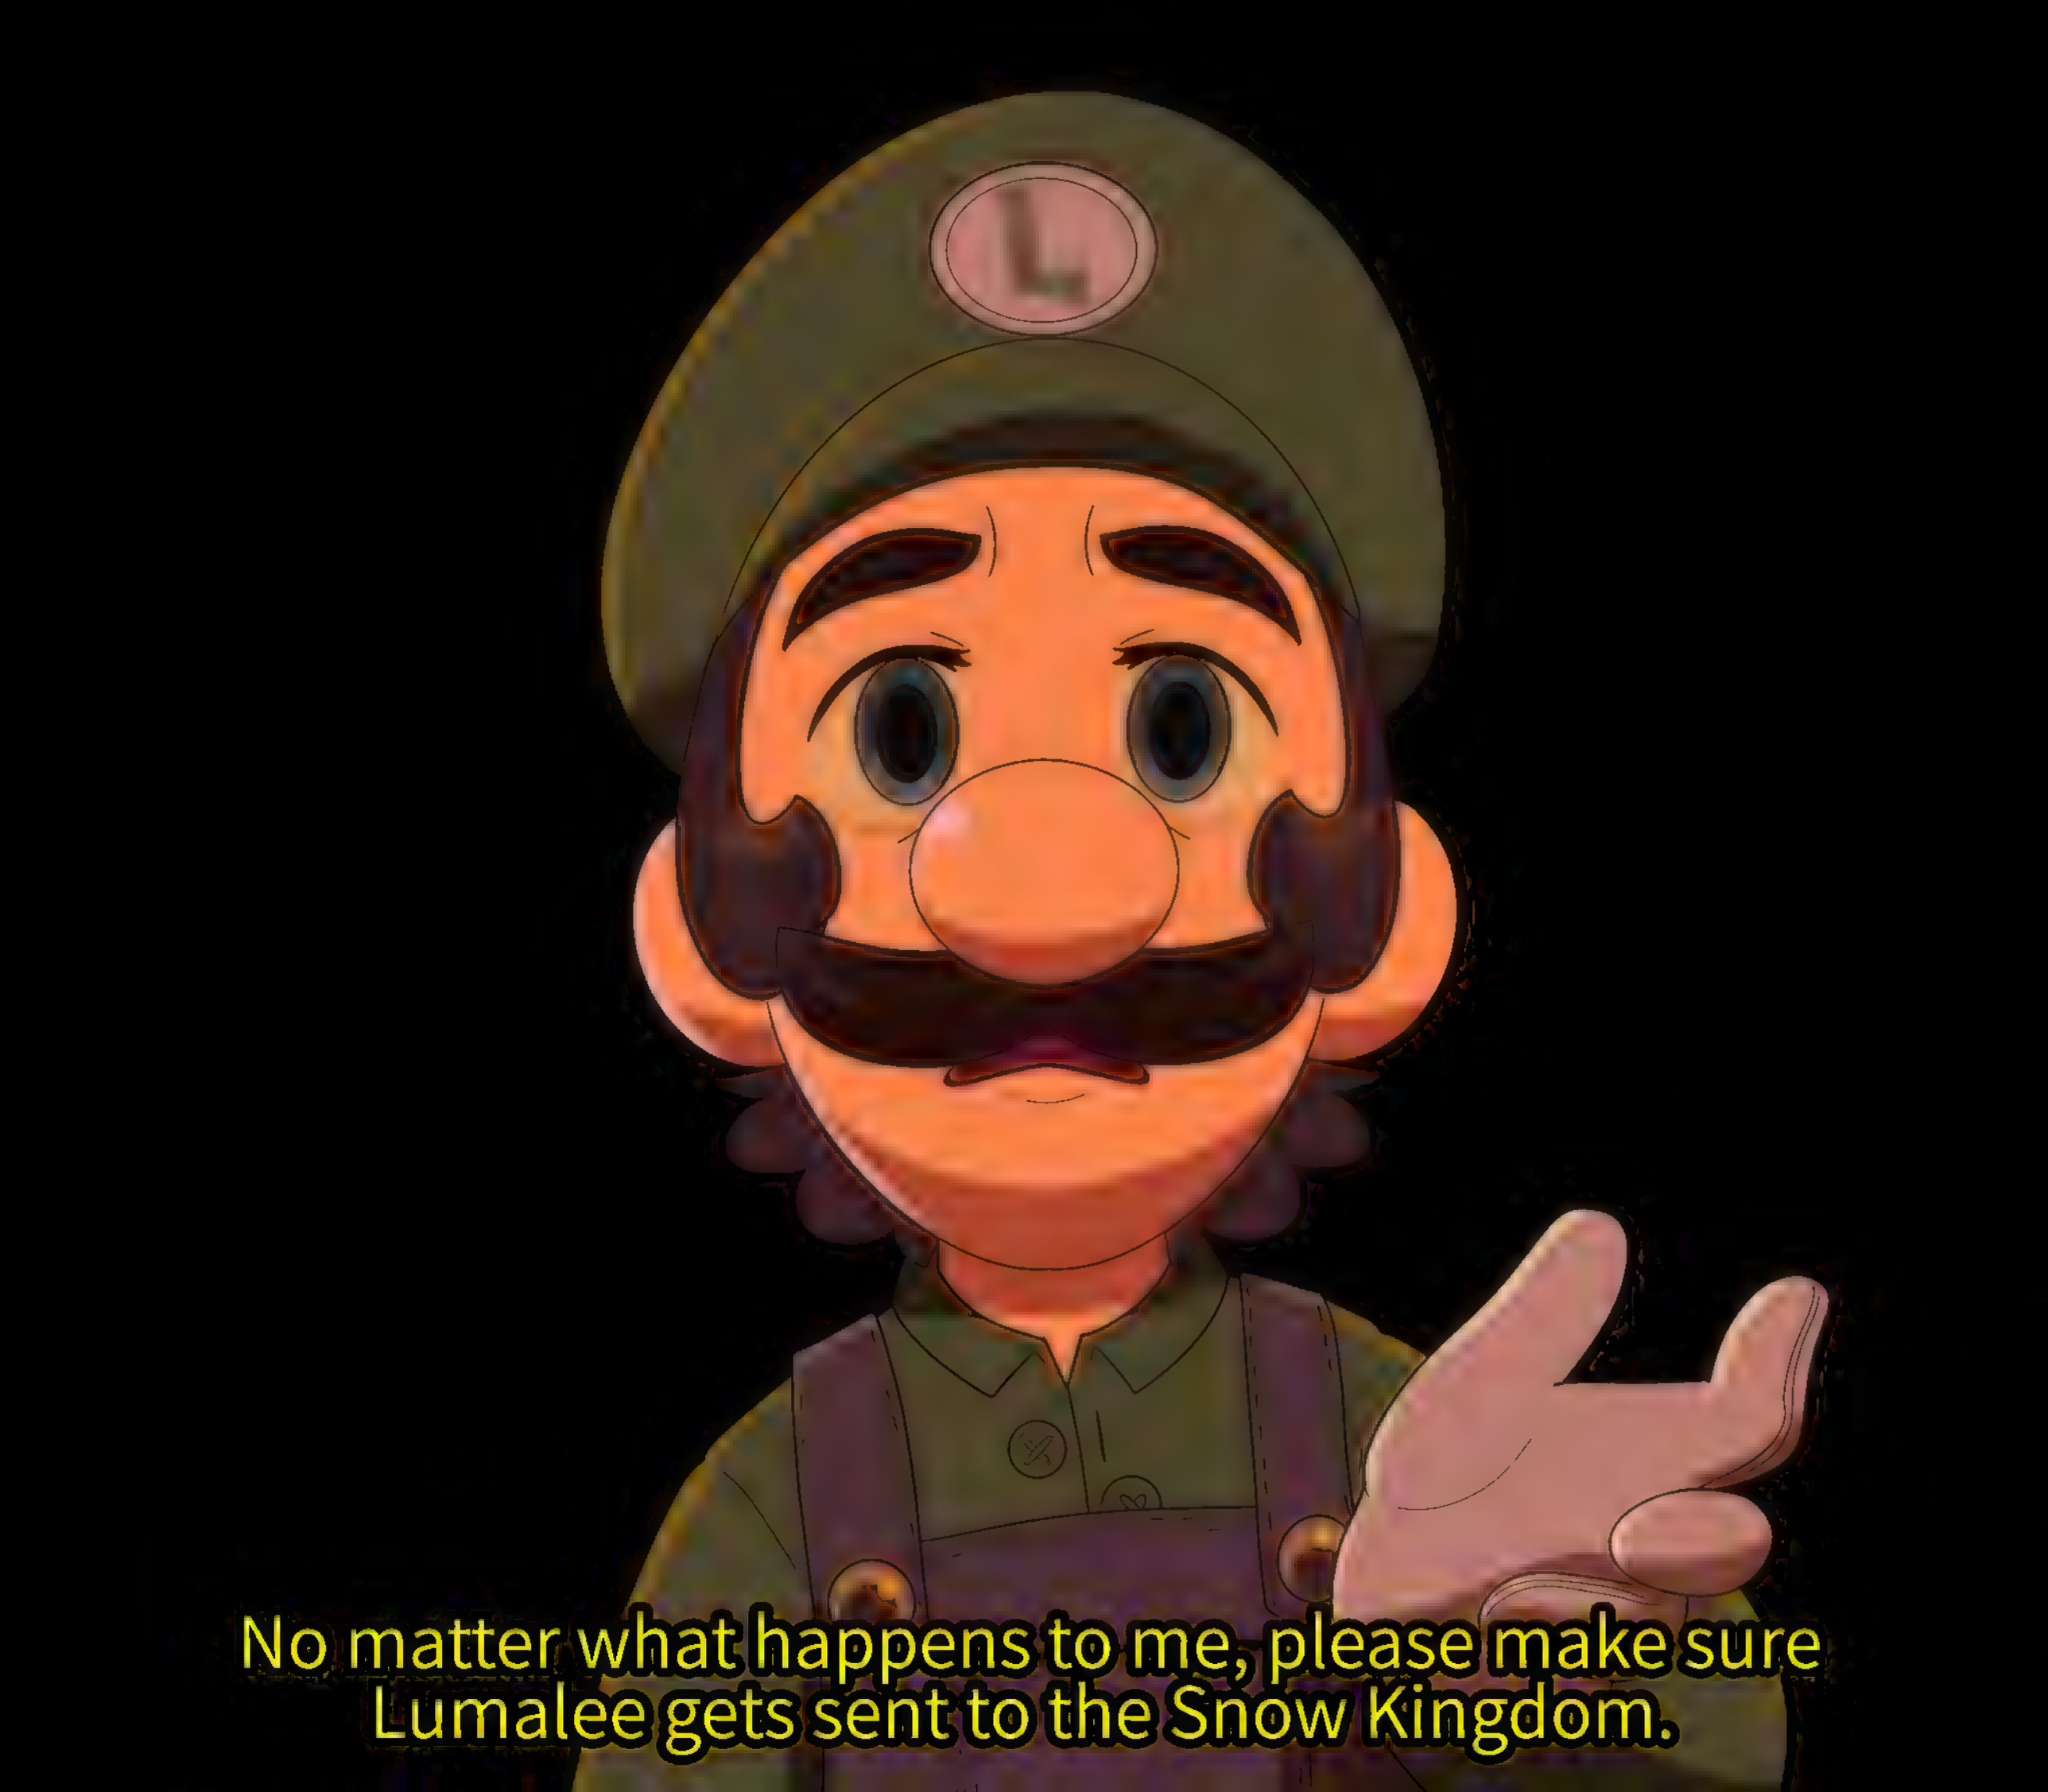
PEACH: Just keep drinking, okay?
LUIGI: Alright....

We should get a move on. Don’t want them to
come back and notice that the lock has been picked.

Alrighty, everyone, I only got one, so we're gonna hafta split it into three pieces!

We’ve got 3 minutes until the effect dies off due to this being cut!

Princess, between you and me, if...anything goes wrong,
which, let's be honest, it WILL...I have a small request.



No matter what happens to me, please make sure
Lumalee gets sent to the Snow Kingdom.

PEACH: Well, hopefully, it doesn't come to that!

LUIGI: Star Child, can you come here for a moment?
LL: A-ah? Okay?

I'm here, Weegee Apple Skin! What did you need?

LUIGI: Sorry, I just wanted to look at you for a sec...
LL: Um..ok? We gotta go...

Bye...

...see you later...
